Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

Extract from the Regulations.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

Extract from the Regulations.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

N.B.—This Regulation also applies to *Brevet* Commissions.

[PENSIONS TO SOLDIERS—*continued.*]*Proceedings of Commissioners to be Reported to the Secretary at War.*

Immediately after each Board at Chelsea Hospital, a Return shall be forwarded by the Commissioners to the Secretary at War, showing in detail the Pensions which have been granted, and the Claims which have been refused at the Board. The Secretary at War, on receiving the Return, shall make such communications on the subject to the Commanding Officers of the regiments from which the men shall have been discharged, and to the parishes to which the men belong, as may in his judgment seem proper.

Rules for Reckoning Service towards Pension.

The date of Attestation shall be the commencement of a Soldier's Service, which shall reckon towards Pension from the age of Eighteen only. The age specified in the Attestation shall be taken to be the real age, and he shall in no case benefit by the subsequent discovery of any misrepresentation. His Service shall be reckoned according to the Rules applicable to the Corps in which he may be serving when discharged.

But he shall not reckon as Military Service any previous Service in His Majesty's Navy, nor any period during which he shall not be entitled to Pay, according to the provisions of the Mutiny Act.

Service of Non-Commissioned Officers.

No Non-commissioned Officer shall, on his discharge, have any claim to the Allowance or Pension awarded to a Corporal or Serjeant, except for continuous Service immediately preceding his discharge in the rank he held when discharged; but if a Serjeant shall be discharged without having served continuously as Serjeant the full period prescribed by this Warrant to entitle him to the Pension of that rank, he may be allowed to reckon as Corporal's Service the whole of his continuous Service as a Non-commissioned Officer to entitle him to the rate of Pension allowed to the rank of Corporal; and antecedent Service as a Non-commissioned Officer in a rank from which he may have been reduced, may be specially admitted to reckon as part of his continuous Service, provided it be established to the satisfaction of the Secretary at War, that such reduction in rank was on account of the Public Service, and did not result from any irregularity or misconduct on the part of the Soldier himself.

The period during which any Soldier may have been employed as an Acting Lance Serjeant or Corporal, shall not be allowed to reckon as Non-commissioned Officer's Service.

Discharged Men Re-enlisting.

A Soldier discharged on the disbandment or reduction of his Corps, shall, on being permitted to re-enlist within Three Years, reckon his former Service, provided that at the time of being attested he shall declare his former period of Service, and the cause of his discharge from his last Corps, so that they may be recorded in his Attestation.

A Soldier who has purchased his discharge, or has received a free discharge at his own request, shall not, if he re-enlist, reckon his former Service.

A Soldier discharged from the Army for disability, or for any other cause, who shall on re-enlisting conceal the fact or misrepresent the cause of his former discharge, shall not be allowed to reckon his past Service, or to receive any Pension if again discharged for disability.

A Pensioner who shall, under a Proclamation of His Majesty, or other lawful authority, be called upon to serve in a Veteran Battalion or Company, or to be attached to a Regiment of the Line within the United Kingdom, shall, on his discharge, reckon such Service towards increase of Pension, provided the period be not less than One Year.

A Pensioner who voluntarily enlists into a Veteran Company or Battalion, or who is appointed to be a District, or Barrack, or Garrison Serjeant, or a Military Clerk, or Hospital Steward, or who is employed in any other Military capacity, shall not be entitled to reckon such Service towards increase of Pension; but if such Pensioner shall have served Ten Years or more in a Veteran Company or Battalion, or as District Serjeant, and shall be discharged therefrom with a good character, or even if he shall have served less than Ten Years, and shall be discharged under circumstances entitling him to special consideration as a deserving Soldier, an increase of Pension may be granted to him, not exceeding in any case the Rates allowed by this Warrant to men discharged as unfit for the ordinary duties of a Soldier, upon His Majesty's pleasure to that effect being signified to the Commissioners of Chelsea Hospital by the Secretary at War.

Forfeiture of Pension.

A Soldier forfeits all claim to Pension who has been convicted by a Court-Martial

Of the crime of Desertion;—

Of having wilfully maimed himself; or of having tampered with his Eyes, or caused a total or partial Loss of Sight by his vice, intemperance, or other misconduct;—

Of having made, or of being privy to the making of any False Entry, or of producing any Fraudulent Document, either as regards his own Services, or those of any other person;—and

Upon Conviction by a Court-Martial, or by a Civil Tribunal, of any vicious or disgraceful conduct.

If in either of the above cases the Soldier shall, subsequently to such conviction by Court-Martial, have performed good, faithful, or gallant Service, he may, on the same being duly certified by the Commander-in-Chief, be restored to the benefit of the whole or of any part of his Service, upon His Majesty's pleasure to that effect being signified by the Secretary at War.

Non-commissioned Officers and Soldiers who have forfeited their claims to Pension in consequence of misconduct, shall have their Names, and the circumstances under which their Pensions were forfeited, published in the Orderly Book of the Regiment to which they belonged, and a Memorandum of the circumstances may, at the discretion of the Secretary at War, be sent to the parishes to which they belong when the men are discharged.

A Pensioner shall be subject to forfeiture of Pension under the following circumstances :—

For wilfully obtaining credit for more than his actual Service, by means of False Entries, Alterations, or Erasure in Regimental Books or Documents, or by any misrepresentation of his real claims ;—

For the commission of any Felonious Act, or gross Fraud, proved to the satisfaction of the Commissioners ;—

For not appearing when called upon, according to the Regulations and Conditions of the Service, by the Commissioners of Chelsea Hospital, or other lawful authority, to serve in a Veteran or Garrison Battalion or Company, or in a Regiment of the Line within the limits of the United Kingdom, or for refusing so to serve when required ;—

For neglecting to obey the call of the Magistrates, of other sufficient authority, to assist in preserving the Public Peace ;—

For gross Violence or Outrage towards any Person paying the Pensioners ;—

For assuming a False Name when committed or imprisoned by the Magistrates on any charge of Vagrancy, or of any Misdemeanor or Crime ;—

Upon Conviction by a Civil Tribunal, for Felony, or for any vicious or disgraceful conduct.

But the Commissioners at Chelsea Hospital, with the consent of the Secretary at War, may, in certain cases appearing to them to admit of such an act of grace, restore the Pensioner, who has so forfeited his Pension, to the whole, or to a portion of his original Rate of Pension.

Any Pensioner who neglects to draw his Pension for Four successive Quarters shall be struck off the Pension List, and shall not be replaced unless he shall satisfactorily account for such omission ; and the Commissioners shall, at their discretion, grant or withhold the Arrears, or any portion hereof.

If a Pensioner shall apply to any Parish for Relief for himself or Family, or shall suffer his Family to become chargeable to the Parish, his Pension will become payable to the Parish Officers, according to the provisions of the Acts of Parliament 59 Geo. III. c. 12, and 6 Geo. IV. c. 27.

A Pensioner on his admission to Chelsea or Kilmainham Hospitals as an In-Pensioner, forfeits, in conformity with the Act 7 Geo. IV. c. 16, all claim to the Out-Pension ; but the Commissioners of Chelsea and Governors of Kilmainham Hospitals may, upon reasonable cause assigned to them, permit any In-Pensioner to retire from the said Hospitals, and may also dismiss any In-Pensioner who has been guilty of misconduct ; reserving to themselves the power of restoring, or of reducing the amount of the Pension to which such Pensioner was entitled on his admission.

Deductions to which the Pensioner is Liable.

Every Pension granted under the authority of this Warrant shall be subject to a deduction of Sixpence in the Pound.

No Person employed to pay the Pensioners shall be allowed to charge more than Three-pence for the Affidavit required to be transmitted Quarterly to the Secretary to the Board at Chelsea Hospital ; and no Agent or

Clerk paying the Pensioners shall demand or take from them any Fee or Reward without ~~subjecting himself to the penalty of~~ forfeiting his Office together with the Sum of £100, in conformity with the Act 7 Geo. IV. c. 16.

Should a Pensioner lose his Instructions, and make an application for a fresh copy, he may be supplied therewith on making an affidavit of the ~~circumstances under which the original was lost~~, and provided it shall be shown that the same had not been pledged or improperly disposed of; but if the Pensioner be proved to have taken a false oath, he shall be struck off the Pension List. When new Instructions are given, he shall be liable to pay for them a Sum not exceeding Two Shillings and Sixpence, nor less than One Shilling.

Given at Our Court at Saint James's, this Seventh Day of February, 1833, in the Third Year of Our Reign.

By His Majesty's Command.

JOHN HOBHOUSE.
